***'IT IS CRUCIAL THAT THE WORKS IN THE PROJECT
ADD UP TO A COLLECTION...'***

A wide-angle photograph of a sophisticated hotel lobby. The room features a large, light-colored sofa with blue and gold patterned cushions. In the foreground, a dark wooden bar cart holds several bottles of cognac and glasses. The background includes a fireplace, a large mirror, and a view of the Taipei skyline at night through large windows. The lighting is warm and elegant, with ornate chandeliers and lamps.

***'SPACE SHOULD COME TOGETHER AS
A UNIFIED EXPRESSION OF A CERTAIN QUALITY AND VISION...'***

A photograph of a sophisticated lounge or library interior. The room features a large, light-colored sectional sofa with several cushions, and two armchairs with red velvet upholstery. A low wooden coffee table sits in front of the sofa. The walls are dark wood-paneled, with a large, colorful abstract painting on the back wall. To the right, a wall of built-in display cases with glass doors is filled with various decorative objects. A large, cylindrical wooden pillar stands on the left. The ceiling has a grid pattern with recessed lighting. The overall atmosphere is elegant and refined.

***'DEVELOPING CURATORIAL CONCEPTS BEGIN BY
UNDERSTANDING THE VISION AND CHARACTER OF THE SPACE'***
